

REMARKS

Applicants request that the unentered amendment of December 1, 2006 not be entered, in view of the present amendment.

Reconsideration of the application is respectfully requested in view of the following remarks.

Claims 1 and 6 have been amended to clarify the remaining layers which are referred to and to provide clearer antecedent basics. No new matter is added as it is clear from, e.g., Fig. 4 and the description thereof that the pasta layer extends around both the sauce layers.

Sir Red Hawk states that one third of the sauce is spread over the bottom. Thus, even if the ambiguous Sir Red Hawk disclosure did disclose the pasta sheet arrangement which Applicant recites, which is denied, he does not have a rectangular pasta sheet which extends around the remaining layers since he has a sauce layer on the bottom. Therefore, Sir Red Hawk does not teach the present invention.

In view of the foregoing, it is respectfully requested that the application, as amended, be allowed.

Respectfully submitted,
